Located in the Italian town of Cagliari (Sardegna), some of the world's top downhill bikers charged through a very technical course in the second annual King of the Castle race. Swap roots with stairs, change big dirt drops with big cement drops, add hundreds of avid downhill fans and hundreds of general gawkers, and you have yourself the recipe to one awesome event.

Riders included Sabrina Jonnier, Emmeline Ragot, Katy Curd, Jess Stone, David Vazquez, Elisa Canepa, Bruno Zanchi, Dario Zampieri, Livio Zampieri, Walter Belli and Andrea Delugas.

Watch the video, and read more about the event at KingoftheCastle.eu.
